Opt-In and Release Forms

Dear New Bella Terra Homeowner:

On behalf of the Master Association Board of Directors and the residents of Bella Terra, welcome to our community. Over the coming months we look forward to meeting you, whether it be walking down the streets, at the pool, or at one of our many community events.

Bella Terra would not be as successful as it is without the volunteers who lead our boards and numerous committees. The operation of our homeowners' association is governed by a board of directors. The six board members, representing the condos, townhomes, villas, and single-family homes, are elected on a staggered basis by the community at the annual homeowners meeting in March. The board is responsible for overseeing the daily functions and financial responsibilities of the Association, and for maintaining members' compliance with the established rules and guidelines. There is a monthly Board meeting, held on the fourth Wednesday of each month at the community clubhouse. All homeowners are invited and encouraged to attend.

Our community website, **bellaterraswfl.com**, is a repository of information regarding Bella Terra. Upcoming activities and events, announcements, a community calendar, Rules and Regulations, and architectural review forms can all be found there. Please take a few minutes to visit, register and familiarize yourself with this resource and to get to know your community. If you are on Facebook, you can also join the official Bella Terra Facebook page, named "**Bella Terra of SWFL**". This page will keep you up to date on important information and events in real time. Watch your email inbox for the bi-monthly Bella Terra newsletter and tune to Hotwire channel 99 for updates on the happenings in our active community.

As a new homeowner, you may already have some ideas on how you'd like to improve your property. Please keep in mind, the Association has an Architectural Review Committee (ARC) to help maintain the quality of our neighborhood. Its function is to evaluate the plans for all exterior landscaping, repairs, and remodeling to ensure compliance with all covenants, restrictions, and guidelines. The purpose of this review is to protect our scenic environment and maintain the value of our homes. Please refer to page 15 of this Welcome Packet for more information on the ARC.

Again, welcome to the Bella Terra community! We know you'll find this is a great place to live and we encourage your participation in our activities and functions.

Sincerely,

Bella Terra of Southwest Florida Board of Directors

Staying Connected with the Bella Terra Website and DwellingLIVE

The community website, www.bellaterraswfl.com is the best way to obtain information and communicate with the administrative offices. The site is updated daily and contains news and activities of interest to all owners. By using the messaging feature, work requests and other communications can be sent to the administration team. Unlike telephone requests, these messages are documented and can be reviewed later by association board members.

To create a Service Request:

1. Make sure that you are in the correct "community". (Is it a Master or Sub-Association concern? If you are not sure, please contact the office at 239-495-7172.) The "Change Unit" option at the top of the page will allow you to switch between your two communities.
2. Once in the correct community, click on "Requests" on the left-hand side.
3. Click on the type of request
4. Enter your request or concern
5. Hit the "Save" button. This will send your request to the office for review.

Please keep in mind that this is a "request" for work to be done. By completing a request, your concern will be looked into, but it does not guarantee that work will be performed. With most requests involving communication between the office, committee and/or board members, and possibly vendors, the process may take up to 48 hours before a response is provided. Every concern is important, but your patience and understanding is appreciated while volunteer members look into your issue.

Dwelling Live:

DwellingLive, https://community.dwellinglive.com (or the app) is a web-based gate access system that allows owners to control and monitor guests. Upon registration with the master association after closing, new homeowners will receive a username and password to login and use the online service. Some features are as follows:

- Register all guests prior to arrival at the front gate.
  ***Please note – In an effort to keep the "Visitor's Lane" moving at a safe and steady pace, guests that are not registered will be turned around by the guard and it will be the guest's responsibility to contact you to allow gate access. No attempt will be made by the security team to "check" with you via phone. ***

- Owners are permitted up to 15 permanent guests at any time. Permanent guests (not including vendors) are issued passes for 30-day periods at a time.
  - Electronic passes can be issued for 30 days
- Filters can be set to notify you when a guest has been added to your address and when guests have arrived at the gate.
- "Restrict Access" is available to keep specific individuals from entering using your address.
- From time-to-time, such as Halloween, special guest pass rules are set in place to keep traffic moving at a safe and steady pace.

Dwelling Live can be managed from a computer, tablet or cell phone app. This is an automated service that does not allow you to speak with a guard. If you need immediate attention from a security guard concerning gate access issues, please call the Security Rover at (239) 898-5740

Bella Terra

Bella Terra of Southwest Florida, Inc.

Amenity Guest Pass Policies

- Amenities guest passes are for registered house guests only who will use an amenity without the presence of the homeowner.
- The purchase and activation of an amenities guest pass requires authorization from the homeowner.
    - Rental tenants may purchase the amenities guest passes only if written permission is granted by the homeowner.
    - If owners are found to be using amenity guest passes for illegal renters, all amenities guest passes that had been issued to that owner will be revoked AND no further amenities guest passes will be issued to that homeowner.

- The amenities guest pass is a permanent and reusable card that will only be activated when guests are registered (see below).
    - This permanent pass is a plastic card.
        - The photoless pass will identify the address of the homeowner.
        - One permanent pass will cover a maximum of two adults and four children (under the age of 13).
        - Anyone 13 years or older is considered to be of a responsible age, and therefore, required to have an amenities guest pass to use the pool, spa, or game room.
        - Only guests 18 years or older may use the gym (as per the standard rules for homeowners and renters) and therefore, are required to have an amenities guest pass to enter.
    - Up to three (3) permanent passes can be purchased per address.
        - There is a one-time $10 fee for each permanent pass.
        - If a permanent amenities guest pass is lost or stolen, it needs to be reported to the office so that it can be permanently deleted from the homeowner's account.
            - Replacement pass(es) will need to be purchased again for $10 each.

- A temporary paper amenities guest ID is needed to identify visiting guests. This ID is used together with the permanent pass. When guests are registered, the permanent pass will be activated. Your guests do NOT need to be present when registering them, but you DO need to bring in the permanent pass so that it can be activated. (If it was purchased at an earlier date).
    - There is no charge for this temporary ID.
    - The issuance of this temporary paper ID requires authorization from the homeowner and a staff member.
    - Out-of-town homeowners may request a temporary guest ID via telephone or email.
    - A temporary ID expires after 14 days. The homeowner can request up to a 14-day extension.
    - Because the temporary ID activates the permanent pass, the number of guests on one pass has a maximum of two adults and up to four children (under the age of 13 years-old). If you are registering more people than permitted on a single permanent pass, a second and/or third permanent pass will need to be purchased.

Bella Terra of Southwest Florida, Inc.

Amenity Guest Pass Policies (continued)

To sum up the process:

1. The one-time purchase of a reusable amenities guest pass needs to be made at the clubhouse. The cost is $10 per pass. Buy it and use it forever!
2. Request a temporary (paper) amenities guest ID just before your visitor(s) arrive since there is an expiration date of 14 days. Be sure to bring your permanent pass with you so that it can be activated.
3. The pass and ID must be used together by your guests. Consider using a lanyard to keep the permanent amenities guest pass, and then tuck the temporary pass in when needed.

Policy: Committee Guidelines

Definition:
Committees operate within Bella Terra under the direction of the Board of Directors (BOD). These Groups participate in policy development, research and general organizational matters pertaining to the stated groups' purpose (e.g. landscaping, building and tangible property etc.)

Purpose:
Committees are advisory in nature and serve the Community as a valuable resource. Members of each committee contribute by proactively developing and recommending goals and actions to support, maintain and improve our community and assist the staff in carrying out their responsibilities. Bella Terra resident participation enables our continuation as a premier Southwest Florida community. Committees are the backbone of the efforts needed to allow the Association to function. Residents are highly encouraged to participate and contribute.

Structure:

1. Each Committee will have a Board Member who serves as the Board Liaison and will have a minimum of 5 and maximum of 9 voting members (excluding the Board Member), all of whom must be a resident owner in Bella Terra. Only one member per household may be a voting member. No vote may take place without a quorum of voting members.

2. In an effort to encourage involvement of as many residents as possible, a resident may serve as a voting member on only one committee at a time, unless there are fewer candidates than vacancies on any committee the member serves on. In any case a resident may serve as Chairman on only one committee at a time.

3. Each Committee will request Bella Terra management support in soliciting the applications of new members from throughout the Bella Terra community each year. Bella Terra staff will email all residents notice of Committee Positions Open, deadlines for becoming a candidate and method of applying. The new committee members will be selected in February/March each year by the existing members, including those whose terms are being completed. Recommended new members require board approval. In order to avoid the concentration of membership reasonable efforts will be made to get representation from each sub-association group. Voting members may serve a term of no more than 2 consecutive terms of 2 years. After a one year waiting period, former Committee members may serve another 2 consecutive 2-year terms. If only 4 members exist after 3 months, a retiring member may re-apply and be elected to serve an annual term unless approved by the Board. For continuity purposes, each Committee will stagger their incoming and outgoing members' terms so that a maximum of 3 members rotate out each year. The Bella Terra General Manager, who is responsible for the overall management of the community, is an ex officio non-voting member of each Committee and will attend meetings periodically, as time permits.

Responsibilities:

1. The committee adheres to and follows the Bella Terra Bylaws, Policies and Procedures, and The Code of Ethics in carrying out their responsibilities.

2. Committees meet when necessary but will meet at least once a quarter. Dates, time and place of meetings should be posted on the Bella Terra calendar.

3. Approved minutes of all meetings are kept by a secretary (designated member of the group) and are filed with the Bella Terra General Manager within one week of approval for posting on the Bella Terra website. Actions (votes and tallies), reports, and summarized discussions should be in the minutes.

4. The chairperson (or a designee) of each Committee will give a report to the BOD each month. However, if the status of an activity is of immediate concern the BOD and/or residents, a report should be given to the BOD as soon as possible.

5. Committee requests for action including but not limited to Requests for Funds, shall be presented to the Board of Directors for final approval.

6. Committees, along with the staff, strive to enhance our community. Committee members do not make decisions regarding the operation of the community and amenities or provide directions to the staff. If an area of concern is identified the Committee chair should communicate directly with the Bella Terra General Manager and/or Board of Directors.

PROCEDURE GUIDELINES FOR ELECTING MEMBERS TO BELLA TERRA COMMITTEES

1. Each year, each Committee will inform the Bella Terra management of the number of group members whose term is coming to an end.

2. Management will post all open positions on the website and send notice in the weekly mass email.

3. All applicants will be asked to complete an application listing background, qualifications, and the goals they would pursue as a committee member.

4. Each applicant should be interviewed by the remaining and outgoing committee members

5. The Committee vote should be by secret ballot.

Approved by the Master Board 02/28/2024.
