The Brighton floor plan features neverending space, with 4 bedrooms, 3 baths, den and a spacious dinette/family room. This 2-story home is for those that want all the extras, and then some. Optional features include a bonus room above the 2-car garage, or even better, a 3-car garage option with bonus room. The master suite has it's own spacious sitting room and master bath, an inviting private retreat. The Brighton is the créme dé la créme of living in style.
