Diano Marina, Italy

(elevation 4 meters, population 6,267)

Just east of the luxurious villas of Capo Berta along the coast from Imperia, this popular seaside resort town with its 320 berth harbor and its four-star "Bellvue" and "Diana Majestic" hotels, shares a beautiful 8.5 km beach with the neighboring towns San Bartolomeo al Mare and Cervo. Although the town was rebuilt after the disastrous 1887 earthquake, the surrounding hills of Diano Castello still have some fascinating 11th century fortifications.
