D.F.B. DEVELOPMENT/ LONDON BAY HOMES

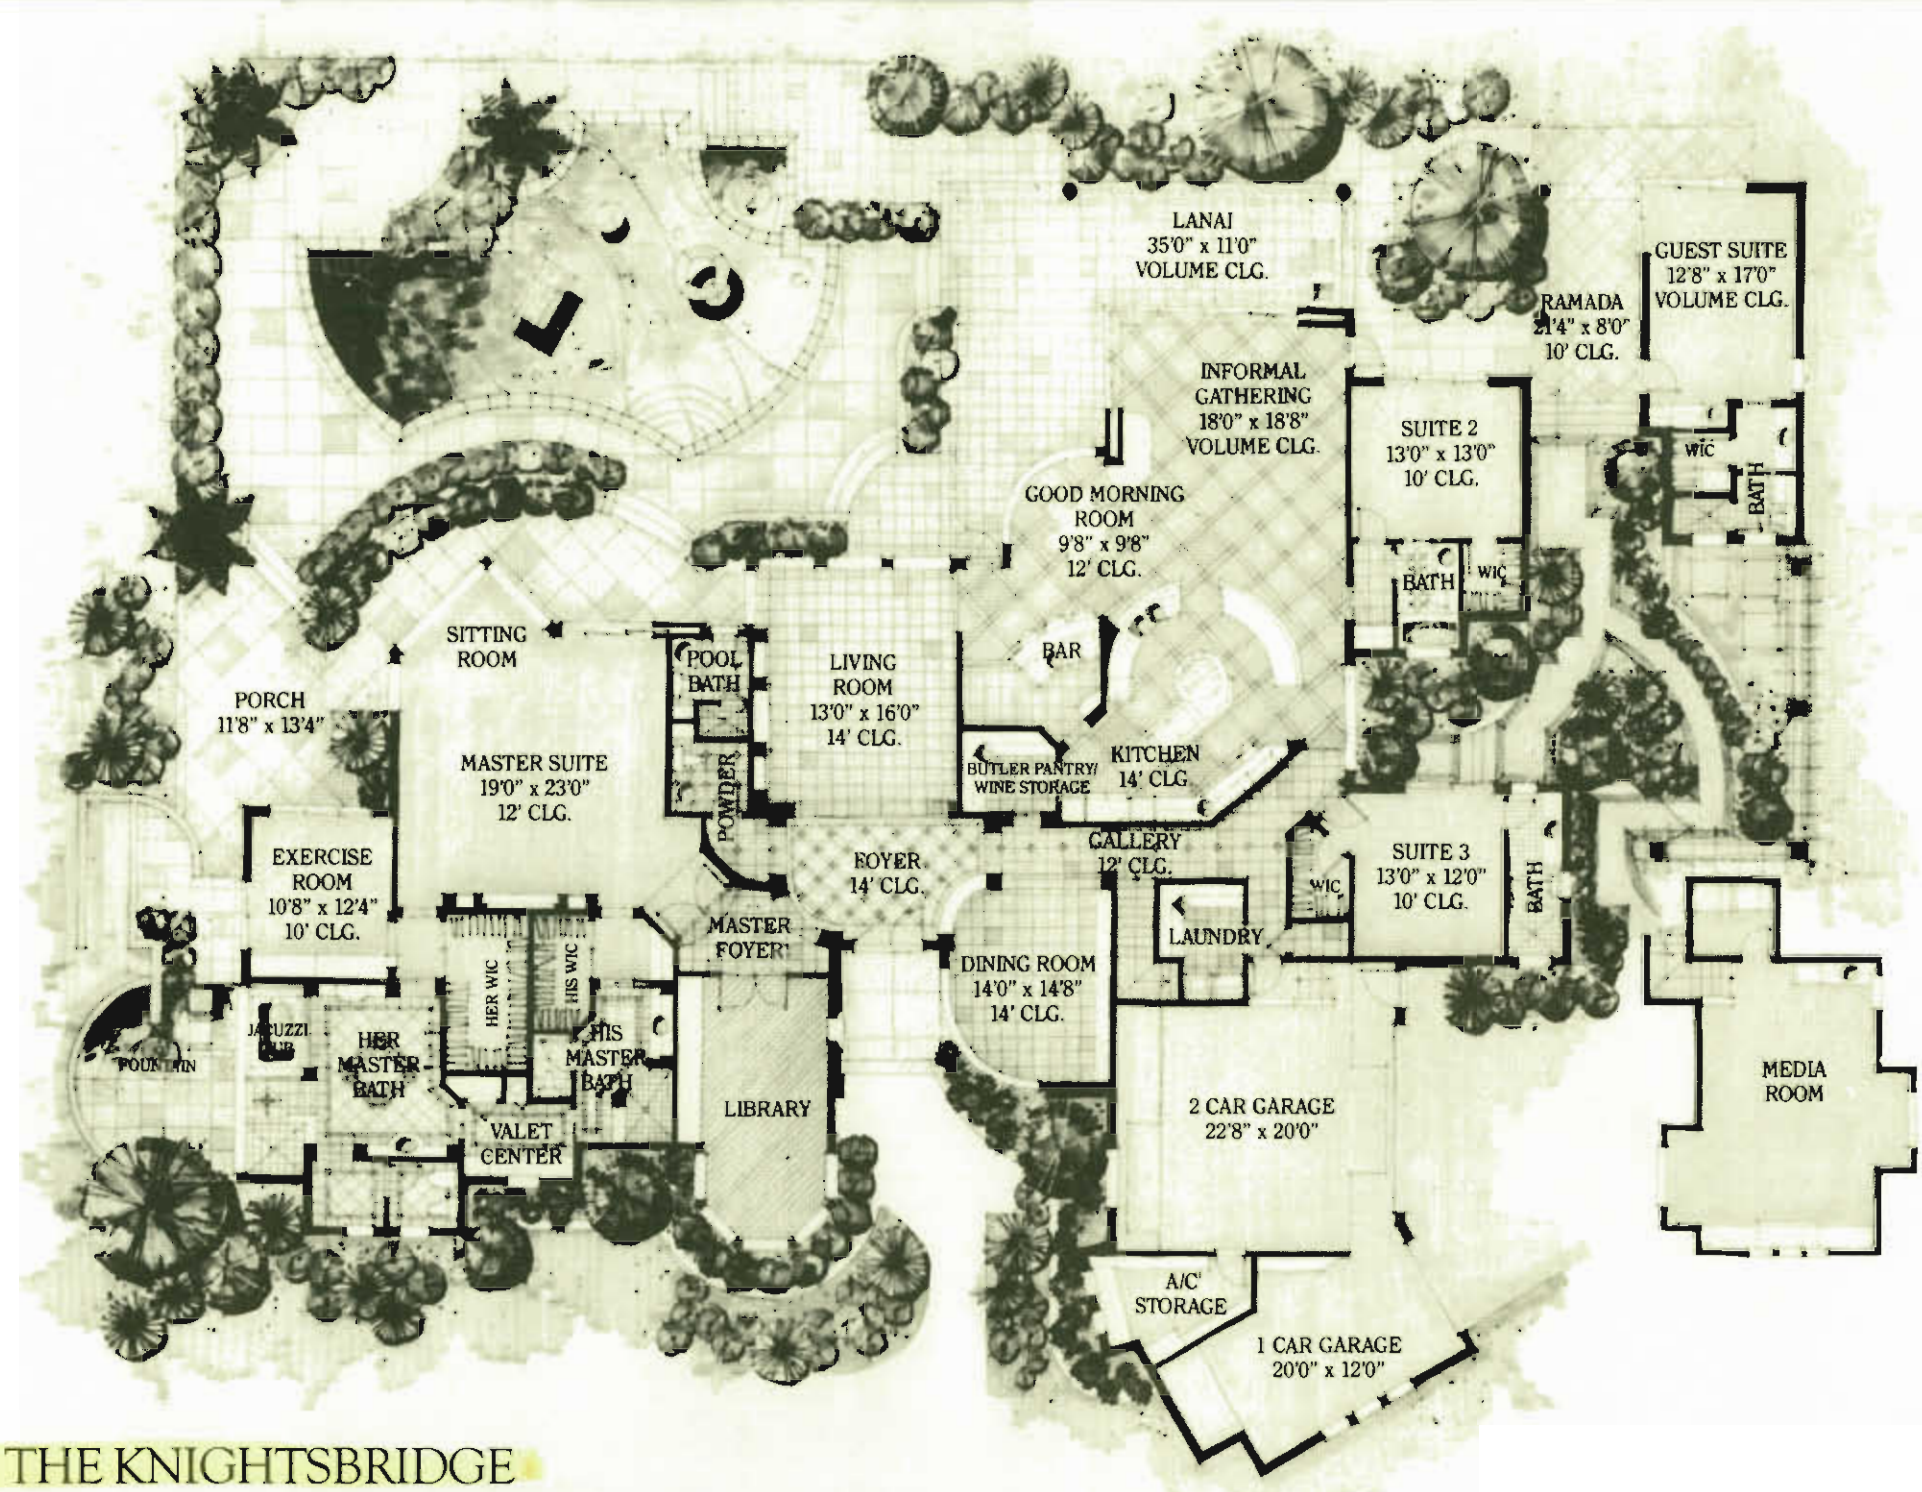

The Knightsbridge

The signature of a D.F.B. Development/London Bay Homes residence is its combination of practicality and artistic vision. London Bay's president, Mark Wilson, closely monitors each phase of the design and construction process of your home, translating your dream into reality. This attention to detail, superior design, quality construction and control of costs, maximize the potential of each home, and have earned London Bay Homes multiple awards, including Parade of Homes, FAME and Aurora Awards, AIBD and Sand Dollar Awards. These achievements, and the word of mouth of satisfied London Bay Homes owners, have gained the company a respected reputation and have increased the homes' value and desirability. With The Knightsbridge model, London Bay Homes offers expanses of light and glass that bring the outdoors in, and a design that harmoniously blends exceptional natural landscapes and vistas with rich, contemporary appointments and creature comforts.
