The Marquesa

Artist's Conception

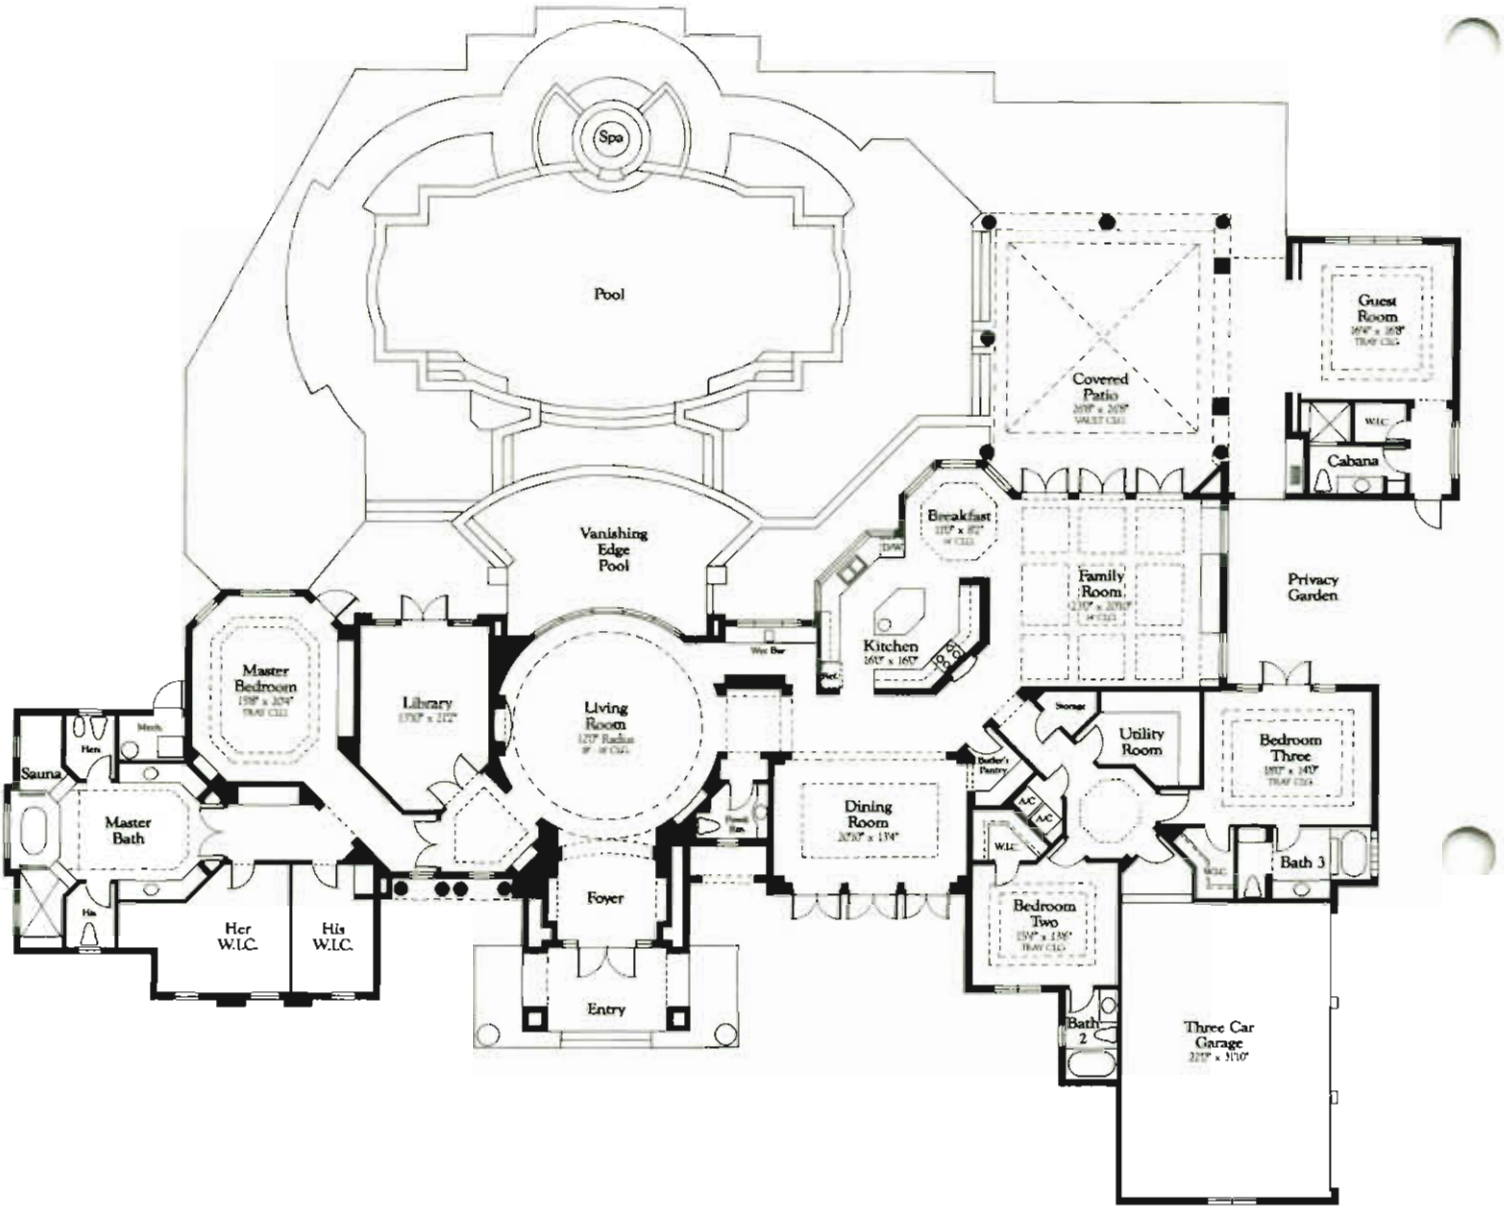

The Marquesa by Gulfshore Homes is a Mediterranean-style estate home encompassing 5,585 square feet of air conditioned living space and 7,588 total square feet.

This stately residence has four bedrooms, five baths and a powder room as well as a three-car garage with additional space for a golf cart. The master suite is complete with a sitting room, his and her walk-in closets and a spacious bath with Roman tub, separate shower and sauna. A kitchen located at the rear of the home features custom-finished cabinetry, granite counter tops, professional grade appliances and views of the first green. Faux finish details and marble and granite are used extensively throughout the residence. A spectacular architectural pool and spa area includes a large entertaining terrace which provides dramatic perspectives of the verdant fairway and preserves beyond.

An ideal residence for both lavish entertaining and a private retreat, The Marquesa is available at $2.4 million pre-construction.
